Dimmable, adjustable colour temperature 2200 K / 3000 K

EU Version - CEE 7/17 (Schuko/French socket compatible)

Retail packaging — rigid drawer box

EU DECLARATION OF CONFORMITY

Packaging — Regulation (EU) 2025/40 (PPWR)

We,

Manufacturer:	AVOLT AB
Address:	Rådmansgatan 5, 114 25 Stockholm, Sweden
Telephone:	+46 0 72200641
Email:	help@avolt.com
Organization #:	559001-5425

Declare that the packaging described below:

Type of packaging:	Sales (primary) packaging with internal fitment, and grouped/transport packaging.
Brand name / Trademark:	AVOLT, Lamp 1
Packaging Name:	Lamp 1 rigid retail box, EU version
Type Designation:	LP1-EUF10-WM* (*=SB, GG, OG, SHB, OP, BE, WH, RR)
Declaration number:	AVOLT-PPWR-DOC-2026-003
Construction:	Rigid drawer-style box of size 117 × 117 × 75 mm. Greyboard base and drawer shell, laminated with litho-printed wrapping paper and matte laminate. Paper tray locating and cushioning the product. Two round BOPP tape seals.
Grouped Packaging:	Corrugated cardboard master and inner carton, black silk-screen printed, 12 units per master carton. 6 units per inner carton.
Packaging levels covered:	Primary and transport packaging

To which this declaration relates satisfies the requirements of the following Union legislation:

Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)

Conformity assessment: Article 38 and Annex VII — Module A, internal production control

Declaration of conformity: Article 39 and Annex VIII

Applicability of the sustainability requirements of Articles 5 to 12 at the date of issue:

Article 5	Substances in packaging — sum of lead, cadmium, mercury and hexavalent chromium ≤ 100 mg/kg. Complies.
Article 5(5)	PFAS limits — food-contact packaging only. Not applicable.
Article 6	Recyclability / design for recycling. Applies from 1 January 2030.
Article 7	Minimum recycled content in plastic packaging. Applies from 1 January 2030.
Article 8	Bio-based feedstock in plastic packaging. Not claimed. Not applicable.
Article 9	Compostable packaging. Not claimed. Not applicable.
Article 10	Packaging minimisation. Applies from 1 January 2030.
Article 11	Reusable packaging. Single-use, not claimed reusable. Not applicable.
Article 12	Harmonised labelling of material composition. Applies from 12 August 2028.

and has been assessed against the following standard(s):

EN 13427:2004	Requirements for the use of European Standards in the field of packaging and packaging waste
EN 13428:2004	Packaging: requirements specific to manufacturing and composition — prevention by source reduction
EN 13430:2004	Requirements for packaging recoverable by material recycling
CEN/TR 13695-1:2002	Measurement and verification of the four heavy metals present in packaging

Where no harmonised standard has yet been cited in the Official Journal under the PPWR, conformity is demonstrated by supplier declarations and test evidence held in the technical documentation.

This declaration of conformity is issued under the sole responsibility of the manufacturer.
